FIFTEEN CENTS

New village officials take over

CAROLYN CIGRANG is proud of her pet boxer, who helped her and her sister Sharon win prizes in the Grass Lake School Pet Show. (More pictures inside.)

ONE-LINER

Remember back when there was more worry about thin people than fat people?

Receives Jaycee award

George E. Braddock, Jr. has received the "outstanding youth award" given by the Lake Villa-Lindenhurst Jaycees.

He is in business with his father, George, Sr., as a full partner in the Texaco service station in Antioch's Orchard Plaza shopping center.

George, Jr., received the award for youth counseling and other civic contributions.

Form Clean Streams Committee

The Lake County Clean Streams Committee was formed Apr. 12 and is urging area residents to join them in their first project, cleaning up the Des Plaines River.

Committee organizers Tudi Arneill, Al Sommer and Wayne Quilico are asking for help to "improve the total environmental quality of the Des Plaines River and its environs."

For more information, call 945-0440 or 945-1382.

Names in the NEWS

A theatre performance of Shakespeare's "King Lear" will be presented Sunday at Illinois State University. Cast and crew members for the production will include Sandra Lindberg, Rt. 3, Antioch, daughter of Mr. and Mrs. Carl Lindberg.

2 promotions in police department

By BETSY ROSSEN

Antioch village chambers were "standing room only" Monday night for the swearing-in of newly elected officials.

It was an evening of both joyful and touching moments, for it also marked the close of Robert Wilton's term as mayor. He remarked, "I'm proud of our efforts of the last four years. We have accomplished a tremendous amount."

WILTON THEN ADMINISTERED the oath of office to clerk Marilyn Sterbenz, who in turn swore in new mayor, Michael Haley. On behalf of the village, Haley thanked Wilton and outgoing trustees William Seemann and Judy Phillips with engraved gifts for their service.

"This is an emotional time," said Haley, "and I'm not an emotional person. Bob Wilton has been my friend and confidante for four years and I hope to do a good job replacing him."

New Thrift Shop clean-up begins

Twenty-six members of the Antioch Mental Health Association met last week to see the new home of their Thrift Shop.

It will be at 921 Main St., formerly the Fur, Feather and Fin Pet Center.

"All members were pleased with the new location," said Phyllis Bucar, "and we are planning paint and clean-up days on Wednesday, May 4, and Thursday, May 5.

"All members are encouraged to come in and help on those days."

You don't pay us, unless the ad pays off for you.

If you want to buy, sell or rent something ... hire help, or whatever, simply call us at 395-5755 and we'll put your ad in our Classified section for up to four weeks.

If the ad doesn't pay off, there's no charge. It's free. If the ad works for you, simply send us a check ... \$1 for the first 15 words, 5c for each additional word.

But please call or bring in your ad for next week's issue on Thursday, Friday or Saturday. Or Monday, before 11:30 a.m. That will help us meet the deadline for Wednesday's paper.

We want you to get response. So try us.

Book drive to benefit patients

Sick and lonely hospital patients can get some pleasure from your used books.

Boy Scout Troop 6 is sponsoring a book drive for Zion's American International Hospital.

Several convenient drop points are available in and around Zion and Antioch: Zion's Jewel food store, the Bank of Zion, Bicket's Walgreen Agency pharmacy, Zion State Bank, The First National Bank of Antioch and the State Bank of Antioch.

If you have a large number of books to donate, and cannot drop them at a drop point, call Mike Purves at 395-0218.

United Way to review requests

Jack Zeit, chairman of the allocations committee, announced that the United Way has begun its annual review of requests for support from member agencies. The associate allocation chairman is John Szygielski.

Each of the six panels of the committee is assigned four United Way agencies. Panel members visit each agency to learn about program services, then study the cost of providing services in past and current years and the proposed 1978 budget. The panel then recommends the amount of financial support the United Way should provide in 1978.

Panel recommendations are considered in a summary conference by

ON HAND for last Saturday's presentation of a purple martin house at the Northern Illinois Conservation Club were (from left): outgoing mayor Robert Wilton, club president Jerry Rockow and club secretary Maryanne Kahl. The house was donated by the Nature Society of Griggsville, Ill.

First National offering help for sewer project

The Lake Villa, Fox Lake sewer project has been announced to its residents and they have been given until May 27 to send \$1,400 to the Lake County public works department.

"Sewers are needed in the area and with the project underway funds from area residents are necessary. Residents of Stanton Bay, Fox Lake hills and Petite Lake are affected by the sanitary sewer project," said L.M. Woods, president of the First National Bank of Antioch.

"THE BANK HEARD ABOUT the program from its customers and listened. The bank has sent letters to nearly 4,000 residents of the project area, offering financial assistance," Mr. Woods said.

The letter explains loan services offered by the

bank to assist residents of the area affected by the project. The First National Bank of Antioch will loan up to the \$1,400 necessary to pay for the service.

Since boundary lines for the project were somewhat sketchy, residents who may already be hooked to a sewer system may have received a letter. Mr. Woods said he apologizes for any confusion, but anticipates goodwill being generated by those in need of financial assistance "for the project is worthwhile."

"Customers are asked to stop in the bank early in May for proper counseling and to assure the processing of loan applications by the due date of May 27," he said.

the panel chairmen, allocation chairman and associate chairman.

After approval by the board, the total of all agency allocation recommendations become the 1977-78 United Way Campaign Goal.

Clean-Up Week is coming! Check the ad for details on the May 9-13 event.

Such a weekend, eh? Among the festivities was the Antioch High School prom - we hear Sue Kasik and Tim Huebner were perfect as queen and king.

More Sequoit news: new teachers for the 1977-78 school year include Karen Chilcote, health and physical education, and Michael Gordy, English and journalism.

HARBOR RIDGE ESTATES is almost sold out!

That's the word from Larry Feightner, who tells us 15 homes will be under construction within the next six weeks. Only seven lots are left.

There's still time for your potential home buyers to be a part of this beautiful subdivision.

RAY LORENZ opened his new business at routes 59 and 173 Monday with a party for his friends. He has purchased Smiley's Tavern from Bob Yanca.

Phil Badame is opening a new pizza place and lounge in Lake Villa, the Cedar Inn.

MORE GOOD NEWS for the Badame family: Carol and Joe Badame are now the proud parents of Christa Lynn. The 7 lb. 6 oz. gal was born Saturday morning at Lake Forest Hospital.

Weasel's Restaurant patrons will know the paternal grandparents are Nick and Ellen Badame of Antioch. Maternal grandparents are Bill and Dorothy Shotola of LaGrange Park, and great-grandparents are Frances Shotola of Berwyn and Mr. and Mrs. Ed Silhan of Sun City, Ariz.

WE ALSO CONGRATULATE Lynn and Tom Doolittle of Rt. 2, Antioch, on the birth of their first child. James Russell arrived Apr. 23.

We send a belated "happy birthday" to April Soulak, who was 5 on Apr. 27.

Michael Estep will be 1 year old Saturday. We send birthday greetings to Sue Haley on the 10th.

Today is Sue Koppa's birthday. (The village park coordinator reminds us this is the last week to sign up for the girls' softball league. Contact Sue at the village hall.)

Finally, we sent get-well wishes to Jerry Erhardt, Antioch's postmaster. We're certain he would appreciate receiving cards!

Your Social Security Check Will Never Be Late, Lost or Stolen With Our DIRECT DEPOSIT PROGRAM

Join the hundreds of State Bank customers who are now enjoying the safety and convenience of having their Social Security checks mailed directly to the State Bank for deposit to checking or savings accounts. This important program, referred to as "direct deposit", means that you can forget about mailbox theft, loss and the need to make a special trip to the bank just to make a deposit. Your check is automatically banked the way you want it...so much to checking, so much to savings. **ALL THAT IS REQUIRED** for you to start enjoying the added safety and convenience of a State Bank **DIRECT DEPOSIT PROGRAM** is to stop in our New Accounts Department with your Social Security CHECK (for verification of your claim number) and sign the Standard Authorization Form 1199. The amount of your benefit check will then be deposited monthly to your checking or savings account...or both.

BOYD

Point of view

The war on energy waste

"President Carter has delivered the strongest challenge to America of any peacetime President. There will be disagreement and debate over many of his specific proposals, but no one can soundly question the severity of the nation's energy crisis or the urgent need for action. It is up to every American to join the national energy conservation effort. This is the underlying purpose of the recently created Alliance to Save Energy."

The above comment was made by Illinois Senator Charles H. Percy and we agree with it wholeheartedly.

President Carter's energy message to Congress was a bold and comprehensive challenge for a national attack on America's critical energy crisis. The President's proposals deserve the careful but prompt consideration of Congress.

"Congress and all sectors of our society must get behind a comprehensive plan to save energy or we risk the future well being of all Americans," Percy noted.

BY EMPHASIZING the necessity of energy conservation because of inevitably higher energy prices, the President has taken the tough approach to cutting our extravagant waste of both expensive foreign oil and dwindling domestic supplies of oil and natural gas. For consumers, conserving energy is one of the best ways to save money. The President also has provided sound incentives for environmentally-safe use of our abundant coal supplies and development of such new energy sources as solar power. Only strong incentives will work; voluntary measures have not worked.

Every American is being asked to join the energy conservation effort to avert what the President has correctly warned will be a national catastrophe if we fail to act. Sacrifice will be required by every citizen and every interest group, but it is far better to sacrifice now than to do nothing and eventually face the day when America would go into economic decline, hostage to the nations which control the world's energy resources.

IT IS ABSOLUTELY essential that American motorists stop squandering energy. A higher Federal gasoline tax, along with an equitable income tax rebate, will place a realistic price on gasoline. What is more, stiff taxes on the purchase of fuel-efficient cars will reward the purchase of cars that meet the nation's conservation goals.

The President has wisely provided consumers with attractive economic incentives to improve energy efficiency in their homes. Through tax credits for installation of insulation, storm windows and clock thermostats, the national conservation effort will reach out to every homeowner, and at the same time will provide savings in fuel bills.

The Town Crier

Hear ye! Hear ye!

Next Monday through Friday (May 9 to 13) is Village of Antioch "Clean-Up" Week. See the ad elsewhere in today's paper. Also, note that this year's "Clean-Up" will include downtown merchants and tenants.

Chris Pionke, Chamber of Commerce secretary, has asked the people downtown to gather all their debris together in containers and boxes. Let's make Antioch sparkle.

Curbside pickups downtown probably won't start till later in the week, perhaps Wednesday through Friday.

A NEW BUSINESS is coming to Antioch this Friday... "Roundabout Records" is opening at 922 Main St., formerly occupied by the Boot Jack.

Welcome back from Florida, John Teresi.

We hear that, just after Mike Haley was elected mayor on Apr. 19, he received a telegram from Florida, from John, which said only: "Who else?"

THE NEW MAYOR scared us Monday when he said:

"Did you hear Alex Haley (author of 'Roots') committed suicide?"

"Oh, no!" we responded.

"Yes," said Mike. "He found out

Building commissioner thanks candidates

I would like to take this opportunity to express my appreciation to all the candidates in our recent election for cooperating with the new sign ordinance.

It was a pleasure to drive through Antioch without the clutter of political signs that have been seen in other communities in our locality.

Thank you all again.

Dick Stroner
Building Commissioner

Reader questions school referendum

Dear Fellow Residents:

I do agree that a new school is needed, but is now the right time? With Antioch growing, and all the new subdivisions being planned, is the Upper Grade School area the right place for a new school?

There is a lot of vacant land out in the Channel Lake area, which could be subdivided in a short time. With this land being developed a need for a school in that area would be necessary.

The vacant land east of Antioch is in the planning of being subdivided, which could cause the overcrowding of the schools that area would serve.

The building of a new subdivision across Grass Lake Rd. from Seven Hills would cause overcrowding of Oakland Grade School.

FOR THE ABOVE REASONS I submit the following plan:

1. Build an addition of about eight rooms on two levels, to Channel Lake school.

2. Remodel the old building, using it for a large library, learning center, band and music room, nurse's office, and an office where the principal and secretary can work without being crowded.

3. In a couple years, we then could build a school where it is really needed. This being in the area of North Ave. between Longview Drive and Deep Lake Rd.

THE STUDENTS EAST of the railroad tracks and from Oakwood Knolls could be enrolled in this school. This would cause a decrease in enrollment at Oakland school.

There are some questions I feel need answering before the May 21 referendum, by the Antioch School Board.

1. The school board says that the Capital Development Board will save the taxpayers \$1 million, BUT what will the school cost?

2. How do we get back to the new school?

3. If in the future, if the Upper Grade needs an addition, where would they build, without taking playground space away from the students?

4. Is this school the same plan that was presented to the district last year?

5. Why can't a school be built, as to add a second story at a later date, if needed?

FOR THE ABOVE REASONS, I have no choice but to vote against the referendum, as worded. I

he was adopted. Actually, he's Irish."

ALEX HALEY DISPLAYED his level of modesty in Sunday's newspapers when he was quoted as saying that "Roots" ranks right up there alongside such books as the Bible.

We checked a couple of libraries and found that it isn't even on the same shelf.

THE VENERABLE MAYOR of Waukegan, Robert Sabonjian, was defeated in the recent election by nifty politician Bill Morris, 31.

Those who knew Sabonjian, even many who didn't, had tremendous respect for the courageous way he ran his city for 20 years. He also had a delightful sense of humor and was a witty, dynamic after-dinner speaker.

Best of all was the way Sabonjian accepted his defeat. A headline in the Waukegan News-Sun said:

"Sabonjian's exit speech shows him as a gentleman." He burst onto the stage in the midst of Morris'

Cows in the NEWS

Brattleboro, Vt. — A Holstein cow owned by Ravenglen Farm, Robert L. Hunter, Antioch, has set a state butterfat production record for cows in her age group.

The new leader, Ravenglen Astro Aster 8159940, completed a lactation level of 29,550 lbs. of milk and 1,185 lbs. of butterfat.

This senior 3-year-old registered Holsteins milked twice daily for 365 days.

Thought for today

Motorists may waste more than \$100 million in tire wear this summer unless they pay more attention to proper inflation, the Tire Industry Safety Council warns. Underinflated tires also waste gasoline because they use more energy.

Letters

victory speech and startled him with a bear hug.

Sabonjian is a good friend of Maggie and Harry Lenny, who have turned Thompson's restaurant into a most popular place since they've been here. Sabonjian comes out here for dinner at Thompson's, so we hope to be seeing him in Antioch.

If you have been to the Antioch News' offices you are obviously aware that among this newspaper's finest assets are a handsome, swashbuckling publisher and the six very beautiful women who work here.

I presumed those six charming ladies were totally happy in this ideal situation until I found this note in my typewriter yesterday:

"Getting something done around here is like mating elephants. 1. It's done at high level. 2. It's accomplished with a great deal of roaring and screaming. 3. It takes two years to produce results.

(I am not going to ask which of the six left that message.)

WE HEAR THE NEW operators of The Vault restaurant will be taking over about June 1. George and James Roupas are buying the business from another pair of brothers, Taso and Dino Marvelas.

Taso and Dino have made The Vault a popular eating place in downtown Antioch and we understand that George and James plan very few changes.

THE ANTIOCH NEWS runs a "Community Calendar" on page 2

each week and we see a need for expanding this service.

Just in recent weeks there have been some unfortunate conflicts. For example, when Chicago Bears football coach Jack Pardee was speaking at the Moose Lodge, the Oakwood Knolls folks were holding their dance on the same night. And last Saturday the Jaycees' Las Vegas Night conflicted with the Mental Health Association's Cotillion.

We'd like to extend the Community Calendar by listing events planned in the next several months. Then various groups can avoid scheduling big events on the same days.

For example, when is this year's Lion's Club picnic? When is the Firemen's Dance? Please call, let us know, and we'll list them.

OPEN A BARNSTABLE CHARGE

The Time Machine

50 YEARS AGO: MAY 5, 1927

Yeggs who robbed Antioch's Williams Bros. store of \$4,000 worth of goods were in the hands of Lake Forest police this morning before the robbery was discovered. The two men who committed the crime were picked up for speeding at 4 a.m. this morning on the Waukegan-Chicago road by plain clothes men.

Hans Dietrich of Twin Lake, Wis., driving a Nash touring car, had a narrow escape from serious injury last night when he lost control of his car and ran into a tree at Wedge's Corners.

Next Monday and Tuesday at Antioch's Crystal Theatre: "Dempsey-Tunney Fight Pictures," showing every blow struck. Our contract with the film company specifies that we must charge 25 and 50 cents.

On May 13, the high school will give their first Musical Festival. In the past the school has given an operetta each year, but it is believed that a much better type of music can be presented in the festival, and that the students will derive more benefit.

20 YEARS AGO: MAY 2, 1957

The junior class of Antioch Township High School will present this year's prom to the senior class Saturday, May 11. The theme will be "Memory Lane," and it promises to be one of the best settings Antioch ever has had. Karen Rentner will reign as queen, and her court comprises Lois Wohlfeil, Rose Ellen Furlan, Judy Zelibor and Toni Thomas.

Special! Thirty percent discount on all nationally advertised hand lawn mowers. Williams Department Store. Open Wednesdays all day.

Mr. and Mrs. Bert Bown, Antioch, celebrated their 60th wedding anniversary last week with an open house in their home on Lake St. They were married at Bristol, England. Mr. Bown came to this country in 1898 and later brought this family to Antioch, where he spent many years farming south of town.

10 YEARS AGO: MAY 4, 1977

Mayor Ray Toft appointed Harold Mason as Antioch's new chief of police at Tuesday night's meeting of the village board, and promoted Patrolman Jack Davis sergeant and juvenile officer. The board confirmed the mayor's appointments and also approved the hiring of Charles Miller as a police officer.

The Soo Line Railroad has asked for a month's extension on installation of warning lights at the Ida St. crossing. The lights were to be in by May 1. They will be in by June 2, according to present plans.

Esther Wilton, teacher of the second grade at Antioch Grade School, celebrated her birthday Apr. 12 by taking all her students down to Reeves Drug Store for an ice cream treat. Reeves cooperated by giving all the children balloons.

The Gambles Store here in Antioch has been appointed as a catalog order center for Aldens Catalog Service, according to Rudy Eckert, owner of the store.

EVERYBODY LOVES
MOM

X-ray unit here May 19

The Lake County Lung Association (formerly the Lake County Tuberculosis and Respiratory Disease Association) has geared their 1977 programs to help more people with respiratory diseases.

Chest X-rays can detect emphysema, cancer, heart conditions, TB and other respiratory diseases. If findings are indicated, individuals will be referred to their own family physicians for follow-ups.

Association board member William C. Petty urges all residents of Antioch 18 and over to take advantage of the mobile chest X-ray. While in the Antioch location, 290 persons took advantage of this service in 1976.

The mobile unit will be at the True Value Hardware Store, 910 Main St., on Thursday, May 19. Times are 1 to 4 p.m. and 5 to 8:30 p.m.

The unit will also be at Dalgard's IGA Store, Lake Villa, on Thursday, May 26.

The mobile X-ray unit service is made possible through Christmas Seal donations and memorial gifts to the Lake County Lung Association. It is in no manner tax-supported.

Those who would like more information about tuberculosis or respiratory diseases may contact the Lake County Lung Association's office to obtain a free catalogue of all materials available. Phone (312) 623-1805 or write to them at 813 Washington St., Waukegan, Ill. 60085.

The mobile X-ray Unit will be at the office May 23 and June 27. July is vacation month. Thereafter, the unit will be available the last Monday of the month for all who wish to have X-rays.

New village officials are sworn in

Continued from page 1

ALSO TAKING OFFICE were trustees Edgar Simonsen, Ronald Cunningham, Donald Amundsen and Vern (Barney) Barnstable. Continuing in their terms as trustee are Arnold Weber and J. Irving Walsh.

Simonsen, Weber and Walsh will be up for re-election in 1979. The other three have four-year terms.

Standing committees of the board will be: finance (Amundsen, Simonsen), safety (Cunningham, Barnstable), public works and buildings (Barnstable, Walsh), utilities (Simonsen, Cunningham), health, animal and license (Weber, Amundsen), permits, planning and zoning (Walsh, Weber) and civic activities (Amundsen, Walsh). (The first name given in each case is the chairman.)

NEW APPOINTMENTS made by Haley and approved by the new board included those of Lt. Charles Miller to assistant police chief. Susan Koppa's job as park coordinator was made an official mayoral appointment.

Reappointed were: Mrs. Sterbenz, collector; Shirley Gutowski, treasurer; Rhode & Lynch, attorney; John Wells, police chief; Charles Maplethorpe, fire chief and superintendent of water and sewer; Walter Shepard, superintendent of public works; Richard Stroner, building commissioner and inspector; Dr. James Kopriva, health officer; Edward Frazier, civil defense director; and Applied Engineering Co., engineer.

ZONING BOARD of appeals appointments will be made at the May 16 board meeting. Plan commission members appointed to

four-year terms are: chairman Ken Wierschem, Edward Abderholden, Judy Phillips, Curtis Denny and Timothy Osmond. The terms of Terry Folbrick, Michael Teeley, Ken Jandula, Tony Starcevic and Stuart Good expire in 1979.

THE PARK COMMISSION membership has been increased from five to seven. New members are William Seemann and Kenneth Longardner. Completing terms are chairman Clifton Houghton, Marcia Starcevic, Bruce Bartosz, Gail Fields and Eunice Mueller.

The liaison committee between village officials will be composed of: Haley, Amundsen, Mrs. Sterbenz, Wierschem, Mrs. Phillips and James Koppa. A seventh member will be announced.

PROMOTED TO police sergeant was Thomas Fisher. Robert Stemm was hired as a patrolman. Mrs. Sterbenz announced that senior citizen half-fare taxi tickets will be available at the village hall by the end of this week.

Thanks to you
it works...

JOHN PIEFER

Names in the NEWS

MARINE PRIVATE John M. Piefer, son of Mr. and Mrs. Donald L. Piefer of Lindenhurst, has completed recruit training at the Marine Corps Recruit Depot, San Diego.

During the 11-week training cycle, he learned the basics of battle field survival. He was introduced to the typical daily routine that he will experience during his enlistment and studied the personal and professional standards traditionally exhibited by Marines.

He participated in an active physical conditioning program and gained proficiency in a variety of military skills, including first aid, rifle marksmanship and close order drill. Teamwork and self-discipline were emphasized throughout the training cycle.

He joined the Marine Corps in Oct. 1976.

CLC NEWS

Registration for summer session classes is continuing at the College of Lake County with phone registration. Summer classes begin June 6.

Any district resident who has an application on file can register by phone for summer classes until May 12.

Information about registering, or about completing an application, can be obtained by calling the admission office at 223-6601.

ONE HUNDRED and seventy College of Lake County students were inducted into Phi Theta Kappa, the national junior college honor society, at the organization's installation ceremony.

The new members include:

From Antioch: Gerda Bachmann, Alexander Beljaeff, Elizabeth Boyd, Brion Broomhead, Dawn Chinn and Debra Kelly.

Fish and milk go together?

Health authorities say there is no danger if you eat

fish and drink milk at the same time, as some doctors have warned in the past.

Moreover, pickles and ice cream eaten together won't make you sick, either, according to modern medicine.

DOMESTIC & INTERNATIONAL

ABC's of Travel

By BARB CORBIN

A LICENSE TO DRIVE - For the most part, an International Driving Permit (as it is officially called) is required throughout Europe (including Russia), Africa, Asia (including Taiwan, Malaysia and Japan), and the Middle East.

In South and Central American countries it is generally accepted as well, except in the following countries where an Inter-American Driving Permit is required: Brazil, Colombia, Costa Rica, El Salvador, Honduras, Nicaragua, Panama and Uruguay.

For driving in Canada and Mexico, a U.S. license is sufficient. These are both available on the spot at any office of the American Automobile Association for \$3 and two passport size photos apiece, plus proof of a valid U.S. license.

If you do not have an AAA office in your area, stop in at the nearest travel agency and they have the applications which would have to be sent in. These take about two weeks for return so be sure and plan ahead.

Also, when you do have your passport pictures

BARB CORBIN

taken, it is always a good idea to have at least six extra prints made for the future. It takes two as I mentioned for the driving permit and most visas require two, so at this rate your extras won't last long.

ALMOST TWICE as many people receive The Antioch News in the mail than any other newspaper in the area. \$6.50 for one year, or \$10 for two years.

Cold water dangerous!

Although warm weather suddenly descended upon this area, the American Red Cross has issued a warning that open waters are still dangerously cold.

Many early spring drownings are caused by sudden immersion in cold water, according to Robert Pohl, local Red Cross water safety chairman.

"THE WATER has a numbing effect, preventing the victim from getting to shore quickly. Most rivers and lakes in the metropolitan area don't warm up until June, and Lake Michigan doesn't warm sufficiently until late summer," Pohl emphasized.

Even expert swimmers can drown if near-icy water makes them immobile. Immersion in water under 40 degrees can cause exhaustion and unconsciousness in less than

30 minutes, according to the Red Cross. times faster than in air.

FATAL COOLING of the body is more likely to occur in water than air, because rapid immersion decreases the insulating effect of clothing. Loss of body heat in cold water occurs two to four

A person who frequently is near the water should expect to find himself accidentally in the water on some occasion. More than 60 percent of the people who drown every year had no intention of being in deep water.

CLC NEWS

"EVERY STUDENT can get better grades in college if he has the knack for it," said Katharine Barnes, chairman of the developmental services division (DSR) at the College of Lake County. "We are offering a summer course called 'Gradesmanship' designed to help students acquire that knack by improving study skills."

The course (DSR 135-001) will carry two hours of general studies credit and the students will meet at least four hours a week to work with an instructor, or to use materials designed specifically for their own needs. The student may schedule his hours any time between 8 a.m. and 9:30 p.m., Monday through Thursday.

Information about the course may be obtained by calling the DSR at 223-6601, ext. 495.

"RULES OF the Road for Older Americans," a free course offered by the College of Lake County, will be offered in Ingleside beginning May 13.

The course is open to senior citizens who are concerned about passing the written driving test and is taught by volunteer older Americans. Over 200 persons have participated in the program since its first classes in October.

The class is being offered from 9:30 to 11 a.m., May 13 and 20, at Grant Township Hall, 411 Washington St., Ingleside. To Register, call 546-9292.

For the best results, participants should attend both sessions. Questions about these or future class should be directed to Diana Mrodek, coordinator of life-long learning, at 223-6601, ext. 352.

THE ANTIOCH JAYCEES' president, Paul Kinas, provided musical background last Saturday night when his club held its "Roaring 20's Las Vegas Night" at St. Peter's social center. Paul and his cordovox are becoming increasingly popular in Antioch. So are the Jaycees, who attracted a sizeable crowd to their second annual Las Vegas night staged along with the Viking football league.

Jaycees elect new officers

At the April meeting, the membership of the Antioch Jaycees elected the following officers: president, Bill Anderson; state director, Chuck Spillner; internal vice-president, Bill Groeninger; external vice-president, Wally Jaskowski; secretary, Tim Mortensen; treasurer, Ed Darbro;

public relations director, Mike Teeley; and directors, Lou Korom, Bob Pirko, Chuck Balmes, John Christiansen and Tom Muehlfelder.

They will be installed at the annual dinner meeting Saturday, June 18, at the Country House.

THE FOLLOWING Jaycees received awards of recognition for their community service: Ed Darbro, Jaycee of the Month; Tony Starcevic, fifth year of membership; John Christiansen and Bill Groeninger, Spoke Award; Paul Kinas and Bill Anderson, Spark Plug Award; Bill Anderson, John H. Armbruster Key Man Award and the Rank of Colonel in Lincoln's Army.

Guests at the election meeting included state officer Chuck Maybaum, many wives and a number of prospective members.

PAUSING

It's her day

By BETSY ROSSEN

You know what's coming up this Sunday.

It's the day we think about a special lady. Give her breakfast in bed. Wash the dishes. Be extra-polite. Jam up all long distance telephone lines. Tell her we think she's the greatest.

I'd like to tell you why I'm grateful for my mom.

WHEN JUST a youngster, I was told by my mother, "Don't you know mothers can see through walls?" I had been wondering why she always knew when I had been snitching cookies or playing baseball in a good dress or any other things I was sure she would never find out.

Her answer had a touch of exaggeration, yet years later I realized the element of truth in it. My mom really knows me. What's even more amazing: she still loves me.

ONE OF THE outstanding demonstrations of her care for my growth and upbringing is her adherence to the principle, "Always keep your promises, no matter what."

Did you promise a punishment after disobedience? Deliver it with loving discipline. Did you promise a reward? Give it in full, guided by that same love.

When I was about five years old, she started tossing my toys out the front door because I didn't pick them up as told. Just as precious and

indelible in my memory are the excursions to the Ice Capades and annual adventures to Riverview amusement park.

MUSIC HELPED me grow, too. She taught me to appreciate the "old" songs, musical comedies and the healing effects of melody and song.

I'll never be a great singer nor instrumentalist, but I'm crazy about music.

I learned a lot in years of language arts, English and journalism classes. But it was my mom who first encouraged my reading and fostered my knowledge of grammar and literature. I fondly remember the gentle corrections and punning sessions around the dinner table.

MY MOM was my first grade Sunday school teacher.

It was there I learned to sing "Jesus Loves Me." She helped us memorize some Bible verses, the results of which are still with me. It is still my goal to obey the command in Deuteronomy: "You shall love the Lord your God with all your heart, and with all your soul, and with all your mind and with all your strength."

I LOVE MOM as a mother and as a friend.

Who else could know me for 22 years and still end every phone call with "I love you, Bets."

CLC NEWS

IN ONE CLASS at the College of Lake County, the phrase "oldies but goodies" refers to stu-

dents, not songs.

The class, "Psycho-Social Aspects of Aging," boasts 20 students ranging in age from 20 to 78.

"The average student age is 49," says Shirley Reitz, coordinator of mental health technology and instructor for the class. "With three generations represented in one classroom, we have an interesting pecking-order."

The course in gerontology, first offered last fall, was originally designed to train persons who would be working with the elderly. The addition of senior citizens to the class was both a surprise and a plus.

"It has only been recently that we have recognized the develop-

ment of a person beyond the age of puberty," adds Mrs. Reitz. "In this course, we discuss the realistic needs of more than 10 percent of our population."

Accordingly, each student in the course prepares an action project for presentation to the class. Projects have included the discussion of life-cycle housing needs, changes in transportation requirements and creative compensation for the physical losses of aging.

This semester, the program received a grant from the State Department of Aging to provide 25 scholarships, in the amount of \$1,202, for senior citizens and persons working with the elderly who wished to take the course.

FANCY THAT!

Grass Lake School students enjoy annual pet show fun

Probably the strongest teeth in the world belong to John Massis of Gand, Belgium, who on April 4, 1974 was able to pull two railroad passenger cars weighing 80 tons along the rails with a bit in his teeth!

A baby's first tooth usually appears when he is 6 to 8 months old. These "baby" teeth continue to appear for two or three years until the child has 20 teeth. In the meantime the permanent teeth are forming within the jaws and the first permanent molars usually appear at the age of 6 or 7. Eventually there will be 32 permanent teeth!

Protecting teeth in the U. S. has been aided by fluoride supplements which have become an important part of many decay prevention programs. When preschoolers receive regular fluoride supplements, their tooth decay rate is lowered 45 to 60 percent. When a fluoride supplement program is started at 6 years of age, the decay rate is reduced 20 to 45 percent!

The annual Grass Lake School pet show was held last Sunday at the school.

Best of show prize went to Mike Chinn for his pigeon. Winners of first place trophies were: Tony Chinn in the dog category, Jeff Pratt for his cat and Ann Rohde for her gerbils.

Other winners were: Christine Mahr, Tricia Olenick, Joe Palmisano, Shelia Rogge, Suzy Samson, Mary Slatner, Bobby Mattson, Karen Schmehl, Missy Cramer, Sharon and Carolyn Cigrang, Kris

Meyer, Marlene Olsen, Christine Mattson, Susan Steiskal, Shep Labovitz and Barb Schmehl.

Serving as judge was Linda Heller of the Mobil Pet shop in Lake Villa. Dr. Eugene Paulausky was master of ceremonies and Marlene Olsen was in charge of trophies.

Participating supporting merchants included: Ben Franklin, A&P, Jewel, Super Valu, L&R Pet Shop, Quaker Oats Co., Allen Products, Kal Kan and Perk Foods.

JEFF PRATT received a first place trophy for his Siamese kitten in last Sunday's Grass Lake School Pet Show.

CUTE KIDS and cute pets—they made the Grass Lake School pet show a hit again this year. Pictured here with her rabbit is Barb Schmehl.

You Can Halt Bicycle Theft

●Lock your bike to a stationary object.

●Use a heavy-duty, case-hardened chain and lock, having a shackle of not less than 3/8 inch in diameter.

●Lock your bike in a conspicuous place. Most schools and campuses have bicycle racks which will frustrate thieves who are apt to be noticed by pedestrians or police.

●Always run the chain through both wheels and the frame before locking.

●Record the serial number of the bike. It is found in three places: on the head tube under the manufacturer's name or insignia; on the underside of the pedal crank housing; on the left rear-toe-plate near the axle.

●Bikes should be registered by serial number, make, model and description with the local police.

●Never leave your bike unattended, even for a few minutes, without locking it.

Driver education offered in summer

Antioch Community High School district residents between the ages of 15½ and 21 are eligible for the summer driver education program.

The only cost to the student is \$8 for a permit-license and the cost of a text (\$4, if new). The course is being offered June 14 through July 29.

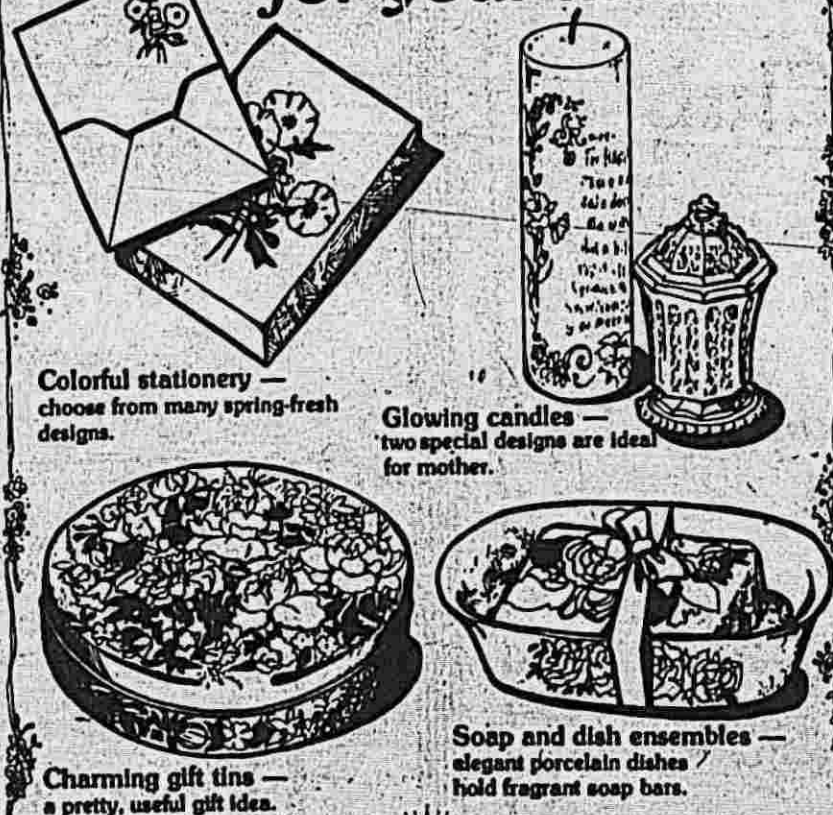

Students at the high school and other district residents may enroll by reporting to the driver education office in student personnel between 8 a.m. and 4 p.m., now through June 3. All those enrolling must complete the application data sheet and receive the rules and regulations in order that state materials may be processed.

STUDENTS PLANNING on going to camp or vacation between June 14 and July 29 should not

enroll. Since the program is state-sponsored, specific hours and minimum requirements must be met.

The Antioch course is an integrated program consisting of 33 hours of classroom, 12 hours of simulation, 3½ hours of on-the-street driving and 3½ hours of observation. The behind-the-wheel instruction is given in 1977 model cars furnished by two of our local dealers, Lyons-Ryan Ford-Lincoln-Mercury and Teresi Chevrolet-Oldsmobile.

DINE OUT

for Mother's Day

AARP NEWS

Officers of area chapter 387 of the American Association of Retired Persons attended a by-laws workshop Apr. 22. They were: president Esther Aiani, vice-president John Wen-

clawski, recording secretary Violet Feldman, membership chairman Blanche Babich and publicity chairman Frances Winiecki.

The May 10 business meeting will also fea-

ture guest Vera Lefelu and a film, "Animals are Crying." Tickets will be sold for the theatre-luncheon bus trip to Shady Lane in Marengo; "Send Me No Flowers" is the play.

The Students of Antioch Upper Grade School will present their second annual Arts Fair on Thursday, May 26, from 7 to 9 p.m. in the Upper Grade gymnasium.

Arts Fair May 26

Expanded over last year's fair this year's edition is a cooperative effort of the vocal music, art, home economics, industrial education and physical education departments.

Displays at the fair will include over 1,500 pieces of art in the form of ceramics, drawing, printmaking, sculpture, batik and jewelry as well as displays of sewing handiwork and industrial education projects.

Music will be provided by the beginning and intermediate choirs and the newly-formed Apache Singers, a select choir. Rounding out the program will be a gymnastics demonstration and a rhythmic dance exhibition.

HAPPENINGS

A Thrift Sale will be held this Saturday, May 7, by Girl Scout Troop 213 at the Antioch Scout House, 741 Main St. Proceeds from this sale will be used to help finance the girls' trip to Washington, D.C. this summer.

The sale, 9 a.m. to 3:30 p.m., will feature clothing, small appliances, records, books, games, toys and kitchen goods. No large pieces of furniture will be available.

Anyone having anything to donate may bring it to the Scout House Friday, between 2:30 and 7:30 p.m. Because of time limitations for setting up, the Scouts ask that all items be in clean, repaired condition.

A roast beef cafeteria dinner will be served by the Millburn Ladies Aid of the Millburn Congregational Church at noon Thursday.

TWO LECTURE-workshops on home canning techniques will be presented by the University of Illinois Cooperative Extension Service of Lake County

Monday, May 16 at 9:30 a.m. and Thursday, May 19 at 7:30 p.m.

The workshop is designed to provide the beginner with up-to-date information and techniques on home canning.

'West Side Story' set for opening tomorrow

One of America's most popular musical shows is coming to the stage of Antioch Community High School, Leonard Bernstein's "West Side Story." It has a huge cast of talented, dedicated thespians who are rapidly molding into professional caliber under the able directorship of Ken Smouse.

THE LEADING roles in the musical are played by Rosline Scheske as Maria, Neil Fossum as Tony, Glen Learmont as Riff, Jim Dituro as Bernardo and Laura Hotchkiss as Anita. The show has many rhythmic dance numbers and tuneful vocal numbers such as "Maria," "America," "Cool," "Gee Officer Krupke," and "I Feel

Pretty." The story is set in the 1950s in one of the poor sections of New York, where two street gangs fight to control their turf. The stage set was designed by sophomore Debbie Boehm, and recently won the Best of Show award at the ACHS art show. It is easily one of the finest sets ever designed for a high school play.

REMEMBER: THURSDAY, Friday and Saturday, May 5, 6 and 7 are the dates of the play. It will be presented in the ACHS auditorium.

Tickets are \$2 for adults and \$1 for students. They can be obtained from any drama student or at the door. Curtain time is 8 p.m.

News from Fun, Food, Friendship

The Antioch Fun, Food and Friendship Center's April Birthday Party was held last

Friday with six birthday people attending. On Friday, May 13, the forum and commit-

tees for the coming year will be chosen. Saturday, May 14 will be installation of officers

starting at 3 p.m., followed by a pot luck dinner and entertainment.

Names in the NEWS

Airman Scott J. Rupp, son of Mr. and Mrs. Alexander G. Rupp of Rt. 4, Antioch, has been selected for technical training at Lowry AFB, Colo., in the Air Force avionics systems field.

Scott recently completed basic training at Lackland AFB, Tex.

Astro-Analysis

By Sonia

ARIES [March 21-April 19] - Through tenaciousness and dedication you can now successfully gain strides in employment and business. Business contacts play an essential role.

TAURUS [April 20-May 20] - You have the power and increased energy necessary to create conditions for advancing self-interests. Most difficulties can be overcome and ambitions attained.

GEMINI [May 21-June 21] - As outside interests develop more responsibility may occur, your leadership abilities may be called upon. Original thoughts provide expansive outlet opportunities.

CANCER [June 22-July 21] - Be willing to offer your assistance to others. Security is gained by seeking a quieter environment. Intuition is keen and accurate now so follow hunches.

LEO [July 22-August 21] - Handle occupational chores with enthusiasm; use added responsibilities as a stepping-stone for building more solid foundation. Be agreeable with those in authority.

VIRGO [August 22-September 22] - A good trend for developing intellectual interests, ideas are more philosophical. Accomplishments can be made through journeys, contacts with people at a distance.

LIBRA [September 23-October 22] - Gains are indicated through good partnership relations. Keep associations with others on the up and up; investigate all details before making legal commitment.

SCORPIO [October 23-November 21] - Don't indulge in risky speculative ventures or gamble on intriguing deals that haven't been proven. Activities involving sports and recreation can provide a good outlet.

SAGITTARIUS [November 22-December 20] - Avoid domestic unpleasantness by showing more patience with family members. Be receptive to suggestions, talk over plans but wait about making final decisions in real estate matters.

CAPRICORN [December 21-January 20] - A keener mind enables you to promote your aims. Handle affairs, paperwork efficiently and get on with new interests that offer new educational direction.

AQUARIUS [January 21-February 19] - Be industrious and give extra effort to earning powers; curb the tendency to be overgenerous or extravagant. Increased energy gives you the ability to add to personal resources.

PISCES [February 20-March 20] - You work better independently so turn down offers that confine you to partnership agreements. Avoid impulsive decisions, direct energy toward constructive, solid matters.

Happenings

The Shrine Club Carnival will be held Wednesday through Sunday, May 18-22, on Rollins Rd. in Fox Lake.

The Chain o' Lakes and Lake County Shriners will stage the annual spring event. The two area clubs are chartered by Medinah Temple of Chicago.

"Remember the dates," said Joe Titus, a leader of the group. "Come out. There will be fun for all, young and older."

SPEAKING OF FUN, don't miss the "5 years in business" party planned at Vi's Yellowbird on Rt. 173, west of Antioch. A special party on Thursday night will be held for "the Yellowbird's" employees and friends. Super entertainment follows on Thursday, Friday Saturday and Sunday nights, making it a four-day fling. See the advertisement on page 8.

FRANK ReCUPIDO was duly honored last week on his 75th birthday. His wife and offspring gave him a wonderful party at the Millionaires' Club. Frank said it was heartwarming, to say the least.

4-H NEWS

The 4-H Clever Clovers were busy in April. Tray decorations were made for the Parkview Nursing Home in Zion as a service project. The bowling project was finished Apr. 3 with a tournament at the Antioch Bowling Lanes.

Demonstrations were made by Marsha Fallon on nature craft and flower arranging, and by Judy Houghton on yeast breads. The club voted to have a booth on Mexico at the Lake County Fair.

Marsha Fallon and Lorna Whitton received blue ribbons in the public speaking contest. Lorna Whitton also exhibited her geology cases at the Lake County Gem & Mineral

Names in the NEWS

JAMES GWINN

JAMES GWINN of Rt. 1, Antioch, was recently transferred to director of public relations and school promotion at Moody Bible Institute in Chicago.

As director, Gwinn

coordinates the dissemination of Institute news, arranges special events, oversees guest relations and directs promotion for the school. He also has a wide speaking ministry

at churches, camps and Bible conferences in the U.S. and Canada. Gwinn was formerly the director of Moody's Extension department.

About 1,500 undergraduates of Southern Illinois University-Carbondale, including William J. Beese of Antioch, were recognized for outstanding academic achievement at the university's annual Scholastic Honors Day.

Lois J. Geist, a junior at Trinity College in Hartford, Conn. has been awarded a varsity letter for the 1976-77 winter season. Lois was the manager of the varsity hockey team.

The daughter of Mr. and Mrs. Charles L. Geist of Antioch, Lois is a 1974 graduate of Antioch Community High School.

Bank is offering 'Winterizer Loan'

The heating bills of the past winter and President Carter's recent energy conservation proposal have caused some thinking about ways to conserve energy and reduce the cost of heating. The First National Bank of Antioch is offering a program to do just that.

"The WINTERIZER LOAN program being offered by the bank gives customers up to \$1,500 to use for storm windows and doors, insulation, furnace updating or other energy saving materials to improve the heating in their homes," said

L.M. Woods, president of the bank. "The bank has reduced the interest rates for this loan program to a 9 percent annual percentage rate."

The bank has offered a similar program to its mortgage customers. Any mortgage customer of the bank can add the \$1,500 "Winterizer Loan" to his present mortgage without affecting the monthly mortgage payment, interest rate or adding any additional closing costs in any way.

Mr. Woods said of the Winterizer Loan, "If you reduce your heat loss, we'll reduce our rates. The bank offers the loan to better serve their customers. "We are always working for our customers."

Editorial Comment

'Suicide pact for the GOP'

Do away with voter registration requirements? This Carter Administration proposal was cloaked in wholesome rhetoric, hinting that only a Neanderthal would oppose such a noble idea as "universal" voter registration (as the scheme is called).

But American public opinion has been slow to jump into line behind the proposal, perhaps sensing a catch. There probably is one.

Examined closely, it appears to be nothing more or less than a scheme to institutionalize one-party rule in the United States. Unaccountably, the Republican minority leaders in both Senate and House embraced the plan, thus turning it into a sort of suicide pact for the GOP.

VICE PRESIDENT MONDALE, who seems to be the plan's most ardent advocate, pointed with pride to Minnesota and Wisconsin running above the national percentage in voter turnout last November. No wonder he was happy. They also brought in lopsided Democratic Party victories.

The Administration's proposal is for a bill that would do away with advance voter registration in Federal elections. States would be paid 20 cents per ballot cast in the previous presidential election to hire armies of registrars to monitor the polls on election day.

WE HAVE A MODEST, if somewhat whimsical, proposal. To increase voter turnout, Congress should pass what we might call the Voter-Encouragement Act of 1977. This would do two things. First, it would reduce the time Congress languishes by the Potomac, from nearly a full 12 months a year (less junkets and holidays) to, say, four months a year (two in the spring, two in the fall). Second, lawmakers' salaries would be trimmed to half (or less) of their present inflation-proof level (near \$60,000).

The result? Senators and Representatives would no longer have to toil full time at being professional politicians, but would become (as they once were and as the authors of the Constitution planned it) citizen-politicians, who see office-holding as a short-term duty, to be filled with dignity and honor.

They would spend a lot of time back home among real people, free from the heady fumes of Washington with its company-town atmosphere. They would also have to earn a living. This, to borrow from Samuel Johnson, might be a way to "concentrate the mind wonderfully" on the real purpose of government.

Heaven forbid, it might even lead some of them to come around to the idea that the best Congress is one which repeals a law a day.

Allendale scouts enjoy awards night

April was an exciting month at Allendale School for Boys in Lake Villa.

For members of Boy Scout Troop 81, it was the first Awards Night held at Allendale for its scouts.

On hand to help Scoutmaster Terry Larson, team manager for the recreation department, was Robert Holway, executive director of Allendale

and Scoutmaster for Troop 89 in Fremont. Wayne Parthun, director of operations and development for Allendale and a member of the Explorer Post 88 committee in Antioch, and Irv Sorensen, representing the Lakes District of the Northeast Illinois Council, Boy Scouts of America.

Awards were presented to the troop for unit achievements, from summer camp and other district events, and to the members of the troop.

Individual awards included first aid, camping, cooking, hiking, citizenship, animal care, physical fitness and family living. These skill awards were given in conjunction with advancement in rank from tenderfoot to second class. Merit badges in cooking, mammals and swimming were awarded to Ron Skipper, John Kielak, Rich Schumann and Glen Tucceri.

The six members of Allendale's Troop 81 will be attending summer camp at Ma-Ka-Ja-Wan this summer for another outdoor experience and an opportunity to earn more awards.

A special presentation was made to Mr. Holway by Mr. Parthun of a large framed Norman Rockwell print of a boy scout. This was given to Allendale in honor of its first official Court of Honor.

Ronald Reagan

Remember where government gets its money?

By RONALD REAGAN

President Carter's plan to have the Tooth Fairy send you a \$50 "tax rebate" is running into trouble in the Senate. It may dead-end there for several reasons:

The economic recovery is stronger than Carter's advisers thought when they stitched together his "economic stimulation package" last December.

Senators are beginning to sense that their constituents don't think the \$50 plan is such a hot idea.

Congress is still chafing at the prospect of letting the Carter package add to the Federal deficit, on the one hand, while Mr. Carter has been trying to ax popular water projects in the name of economy, on the other.

The determination of 38 of the 39 Republicans in the Senate to fast for permanent tax cuts instead of the \$50 plan.

HISTORICALLY, TAX CUTS have provided incentive for economic growth and have usually added to Federal revenues. Whether Republican arguments along these lines will sway enough Democrats to replace the \$50 plan isn't certain, but Republican solidarity coupled with irritation of some Democrats by the Carter water project cuts may be enough to give the \$50 plan a quiet burial.

One of the White House problems

is that what seemed like a need for "stimulation" is evaporating.

Spokesman Jody Powell said the other day, "No one has been able to come up with any other plan to give the economy an immediate boost," but his focus is still on last December, when Carter aides were working under time pressure and the temptation of any new administration to do something - anything - to make it look as if it is solving problems.

THE CARTER PEOPLE misread the economic indicators then, not realizing that the economy was already well on the way to recovery. They thought it needed "Stimulation" and the \$50-for-everyone idea seemed like a good way to do it.

The stimulation notion is an old one.

Put a few dollars in every pocket and people will use it to run right out and buy things they otherwise would not buy. Demand goes up; factories hum. Presto! Money pumps through the veins of the economy in a surge of stimulation. Everybody's happy.

BUT, IT DOESN'T work that way. In addition to not realizing that the economy was already regaining its health, the Carter people were also naive in believing that no one would realize where the \$50 tax rebate would come from; the taxpayers themselves.

And, even if the economy did need stimulation, they didn't reckon with human nature. In January, the Harris Poll found that two-thirds of those surveyed said they would use a \$50 rebate to pay old bills or build up savings - not exactly "Stimulation."

The best that can be said for "White House Tooth Fairy Economics" is that it's gotten everyone talking about where the government's money comes from in the first place.

SCOUTMASTER TERRY Larson (left) assists scout Glen Tucceri in repeating the scout law as part of the opening ceremony at Allendale School's first Court of Honor for its Scout Troop No. 81.

PERSPECTIVES

Understanding the Bible

By DONALD COLE
Moody Bible Institute, Chicago

Infallibility (truthfulness) does not mean that Scripture can be understood as saying everything that can be said on a subject. Infallibility must be understood as applying to "the intended assertions of Scripture." This means that when the Bible says an event took place, the event took place exactly as described. Hence, when the Bible says that "in the beginning God created the heavens and the earth," it means precisely that. God created the heavens and the earth. But Genesis does not say how, and the language employed is not technical.

MOSES, WHO WROTE the book of Genesis, was not an astronomer and divine inspiration did not make him one. Hence, he wrote only what mattered—that God created the heavens and the earth. And in the verses that follow he gives the sequence of God's creative activity, exactly as it happened in the order in which it happened. Inspiration did not give him the jargon of a geologist or astronomer. It did, however, give him sufficient information to write an adequate account, and it did protect him from error. There are no mistakes in the Genesis account of origins; the account is infallible and inerrant.

The thing to remember is intent. What does the Scripture intend to say? In some places, the language is poetic, in which cases it cannot be interpreted literally.

For example, the line "Thou didst remove a vine from Egypt, Thou didst drive out the nations, and didst plant it," is a reference to the Exodus. God did not plant a literal vine. He guided Israel to the promised land and settled them there. The language is poetic, and it is obviously so.

The truth is, what God intends to say is always obvious. This does not mean that the language is always literal; indeed, there are many figures of speech. But metaphors, similes and other figures of speech are immediately recognizable as such. They are not obscure, and the Scriptures are not a series of puzzles—as is the case with much modern poetry.

INTERPRETATION OF Scripture takes skill, but the first principle of interpretation is that Scripture must be read in its natural sense. In the Bible, words mean what they say. Water is water, unless there is good reason to believe that the word is used as a symbol. In some places water is indeed a symbol, as in Titus 3:5, where Paul says that God saved us "through the washing of rebirth and renewal by the Holy Spirit, whom He poured out on us generously through Jesus Christ our Savior." In that passage—as in others where literal things are used as symbols—the meaning is clear.

The reason, of course, is that God, who gave us the Book, is Light. The Bible is His Word, and because it is His it can banish all our darkness.

AMERICAN LEAGUE PREP bowlers honored at last Saturday's banquet were (from left): Karen Portalski, highest average; Renee Hallwas, most improved; Lynn Mack, high series; and Kim Heath, high game. On hand was lanes owner Joe Sterbenz.

THE ANNUAL Antioch Bowling Lanes House Elimination Tournament champions are Rosemarie Johanesen and Larry Radivoy. The contest was held during February and March.

GLENN LAZANSKY accepted a television set for the second prize winner in the Antioch Bowling Lanes Youth Benefit Drawing held Apr. 16.

AMERICAN LEAGUE first place trophy in the Antioch Bowling Lanes prep division went to (front row, from left): Bobby Heath, David Cooper. Standing: Bob Knourek, Bob Hill, Jim Weber and Mike Grealis. League sponsor was the First National Bank of Antioch, represented here by Bonnie Eder.

BOB UNMACK (left) is presented with a \$200 check from the Lake County Bowling Association by Joe Sterbenz of Antioch Bowling Lanes for a 299 game in the Friday Night Majors league. Bob's team is sponsored by the Vault restaurant.

ANTIOCH PREP bowling league coaches were (from left): Sue Hallwas, Antioch Bowling Lanes owner Joe Sterbenz, Carol Mack and Joe Costa.

FIRST PLACE winners in the Antioch Bowling Lanes National Prep Division were (starting at second from left): Tom Krueger, Terry West, Paul DeBenedetto, John Ruggles and Mark

West. The State Bank of Antioch, sponsors of the league, was represented by Glenn Hendrickson (left) and Ed Roach.

BOWLING

The Pinspotters' league at Antioch Bowl had "some super season."

Sue Hallwas, for example, bowled her first over-600 series in a national championship tournament in Milwaukee. Sue hit 608 on games of 160, 234 and 214.

Two other members of the league topped 200 for the first time. Patti LaParr, who holds a 121 average, hit 205 and Evie Lowe, holder of a 120 average, came up with a 203 game.

DALE CRANDALL OF Antioch Bowl won \$150 and the all-events championship in the Lake County men's tournament. He had a scratch total of 1,773 for nine games (a 197 average) and his handicap score was 1,941. Dale normally averages 168.

He also won \$100 by placing third in singles with 637, plus a 56-pin handicap, for 693.

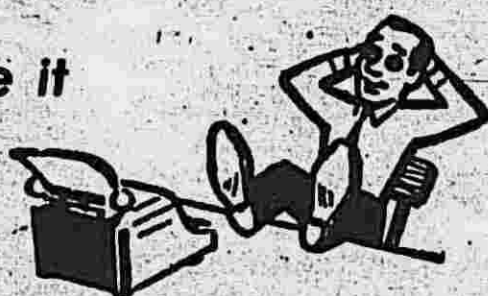

IN THE THURSDAY NIGHT Businessmen's League at Antioch Bowl, the championship went to Weasel's Fine Dining with a record of 80 wins and 52 losses.

Team members included Phil Lindberg, Mike Lasco, Darrell Quirk, Rick Roberts, Woody Litchford and Wes Jones. They led qualifying in the BPC tournament with a 3,224 series and will bowl in the finals here in Antioch.

the Pfarr Corner

You will enjoy this column; I didn't write it

By JERRY PFARR

On Sunday, May 15, the Waukegan Historical Society will offer its 8th annual "Tour of Homes."

For \$2 you can stroll through five exquisite homes, oozing with taste and featuring antiques, art collections and Ben Franklin fireplaces.

This announcement prompted a friend of ours, Rusty Hoffland, to suggest that the five homes weren't "typical."

"Really," said Mrs. Hoffland, "if the visitors would like to see how we natives of Lake County really live, I would like to invite them to the 100-square-yard estate of the Hofflands."

The rest is from Rusty.

AS WE TURN into the oil slicked driveway, you will notice that American native children are very fond of vehicles. Here are three dilapidated tricycles, three bicycles in about the same condition, a rusted red wagon with the handle missing, and a go-cart made from an apple crate and a baby buggy ... oops, sorry, Lady, are you all right ... that's another popular vehicle, the roller skate.

We cross the obviously well loved mud lawn and approach the front steps decorated with colorful coffee cans containing lovely collections of ants, frogs, and MICE ... I don't care if you did find it dead, you are not saving it for the cat. Get that darn thing off these steps!

YES, WE THINK it's an interesting living room too. What period? Uh ... Early Children, Late Relative and Salvation Army, I guess.

That? No, it's not an early Picasso wall mural, it's an Amy Hoffland, done at the age of six months when she discovered her sister's paint by number set.

Yes, these are all typical native children. Yes, they're all mine ... no, wait a minute, that boy

that's clean belongs to the neighbors, the other one is mine.

AND THE GIRLS are Amy, she's the one climbing up the bookcase, and Robin ... get your thumb out of your mouth and say hello to the nice people, Robin. That's Janie ... what are you doing to the cat, Janie? Feeding it WHAT! I meant for you to get the mouse away from the house, not bring it inside. That's Patty ... don't spit on your sister, dear, we've told you that's not nice. I don't care if it was your mouse. That's our teenager, Sandy ... take your ear away from WLS, Sandy, and say hello to the nice people.

NOW, IF YOU'LL all come into the dining room, I think the tea is ready. Afterwards we'll take a tour through the rest of the house.

Children, please wait until our guests have had a cookie ... no, don't put it back after you've bitten off it! Amy, you mustn't drink out of the cream pitcher. Sit down, Janie, it's not nice to stand on your chair while you're eating.

Amy, no, don't pull the tablecloth ... oh, I'm so sorry Sir. Here let me help you.

BUT YOU CAN'T be leaving already, you haven't seen the rest of the house yet. Janie, cut that out, you can see the lady is afraid of spiders, even if they are only rubber ones.

Well, we are sorry to see you rush off ... be careful, that step is loose and you might ... Mike, stop laughing. Yes, I'm afraid some American children have a weird sense of humor.

Thank you, it was very nice of you to come. Just a minute, don't start your car yet ... here kitty, nice kitty, come out from under the car ... here kitty, nice kitty ... Janie, do you have another dead mouse handy?

category," Postmaster Ehrhart said.

Large volume business mailers already have been briefed on the new standards to give them ample time to use up non-standard supplies.

THE HEIGHT OF an envelope in relation to its width, along with its thickness and weight, are factors in the new mailing requirements.

As far as the general public is concerned, the most noticeable change will be these minimum standards for mailing pieces: Except for keys and identification badges, anything less than 1/4" thick that is less than 3 1/2" in height and 5" wide will be non-mailable.

The amount of the surcharge is yet to be determined.

If your hairdresser only knows for sure, you get to the beauty parlor more often than we do.

CLC NEWS

"WHILE MANY college students have opted out of churches, they still have questions. This is indicated by the hefty enrollment—in philosophy of religion classes," said Frank Nickels, counselor and coordinator of the College of Lake County campus ministry program.

The program, begun formally last fall, but actually dating back several years, is designed to provide a different kind of counseling to CLC students—spiritual counseling.

Through the campus ministry program, volunteers from the Lake County Chaplaincy Service donate their time on campus Mondays through Thursdays from 10 a.m. to 2 p.m.

While the chaplains may use office space, most prefer to seek out students.

The campus ministry program, in cooperation with the Shepherd of the Lake Church in Grayslake, has also sponsored a religious film series. One priest has a regular column in the campus newspaper, too.

Planning The Garden

"THIS YEAR THE FIRST FOUR ROWS WILL BE HAMBURGER HELPER."

"FIRST THE NEIGHBORHOOD TOMATO DERBY. THEN ON TO THE STATE FAIR."

Use up your odd-shaped envelopes

If you still have any of those extra-small or odd-shaped envelopes (such as for birth announcements and social invitations) better use them up.

That's the reminder issued by Postmaster Gerald Ehrhart, who noted that in about a year from now - Apr. 15, 1978 - new postal regulations are scheduled to go into effect to encourage the use of standard size envelopes for letter mail.

Non-standard letters are costly to process, because they cannot take advantage of the speed and efficiency of letter sorting machines, and sometimes cause jams that may damage the mail.

THE NEW REGULATIONS also call for a surcharge on non-standard size letter mail that is too large or too flimsy for machine processing.

"Actually, the individual mail user won't be greatly affected by the new dimensional standards, since only about 4 percent of the correspondence mail now falls into the odd-size

Varsity netmen lose

Antioch High School's varsity tennis team suffered its first loss last Wednesday to Stevenson, 3-2.

Dennis Korjenek played nationally ranked Bill Heiser and won one game in each set.

At second singles, Bob Nasenbeny played John Keller for the third time in the last two years. Nasenbeny beat Keller last year in the conference meet for the third singles championship. Keller won the rubber match 3-6, 4-6. The two will probably meet again at this year's conference meet.

KEITH REZIN beat senior Nate Kaiser in three sets 7-5, 4-6, 6-4. Keith was down four games to one

in the third set and came back to win five consecutive games and the match.

In one game, eight deuce points were played. Many games were that close as this match took over two hours to complete.

MARK MANDROWSKI and Matt Warner lost for the first time this year 6-2, 4-6, 4-6.

George Richter and Mike Schmerbauch won 6-4, 6-4. Both played well at the net and beat Stevenson on their volleys.

Antioch is still in competition for the league championship. On May 13 and 14, Antioch will go to Dundee for the conference meet which Antioch must win for the title.

Tennis sophs still unbeaten

Antioch's sophomore tennis team remains undefeated. In a dual meet last week they beat Stevenson, also undefeated in league competition, 3-2.

Antioch's victories came at third singles (Phil Rezin 2-6, 6-0, 6-2), first doubles (Tom Melhorn and Andy Dziki 6-0, 6-0) and second doubles (Greg McKenna and Dave Nikolai 6-0, 6-1).

Saturday they went to Rockford for a quadrangular meet. The results: Antioch 14, Rockford Harlem 11, Rockford Boylan 9 and Freeport 5.

Antioch took two firsts (Roger Korjenek, second singles, and Rezin

and McKenna at second doubles) and two seconds (Tom Surrock at first singles and Dziki and Melhorn at first doubles).

Phil Rezin is the only Antioch player who has a perfect record, 13-0. The sophomore team has beaten 12 teams without a loss.

Meeting for ladies golf teams

The State Bank of Antioch women's golf league will hold a meeting at 10 a.m. Thursday, May 12, at the Antioch Country Club.

For further information, please call 395-4176 or 395-1533.

New golf league

A ladies golf league, the Spring Valley Swingers, was organized Apr. 26 for Tuesday play at 9 a.m. The league meets at Spring Valley Golf Club. New members are welcome, according to Lucille Fanning, golf chairman.

Softball team has tough week

Last week was not a good one for the Antioch girls varsity softball team.

On Monday, Apr. 25, Round lake outscored them 24-4; Wednesday, Jacobs won 15-5; and on Friday, Zion won 14-9.

Against Round Lake the girls never did get started and did not score until the final inning. Antioch got off to a good start Wednesday scoring four in the first and one in the second. Unfortunately, they only had one baserunner the rest of the game.

On Friday, Antioch played fairly well but a Zion grand slam home run during the third inning capped a seven-run rally in the third inning to put the game out of reach. Top hitter for Antioch was Pam Parker who was 3 for 4.

The next home game is at 4:30 p.m. today (Wednesday) at the Upper Grade School against Grayslake.

HURRYIN' HURDLER--Shirley Fosmark competes in the 80- and 110-yard low hurdles events for the Antioch High School girls track team.

Girls track team to host conference meet Saturday

A 5-3 conference record and much determination spark the girls track team at Antioch High School.

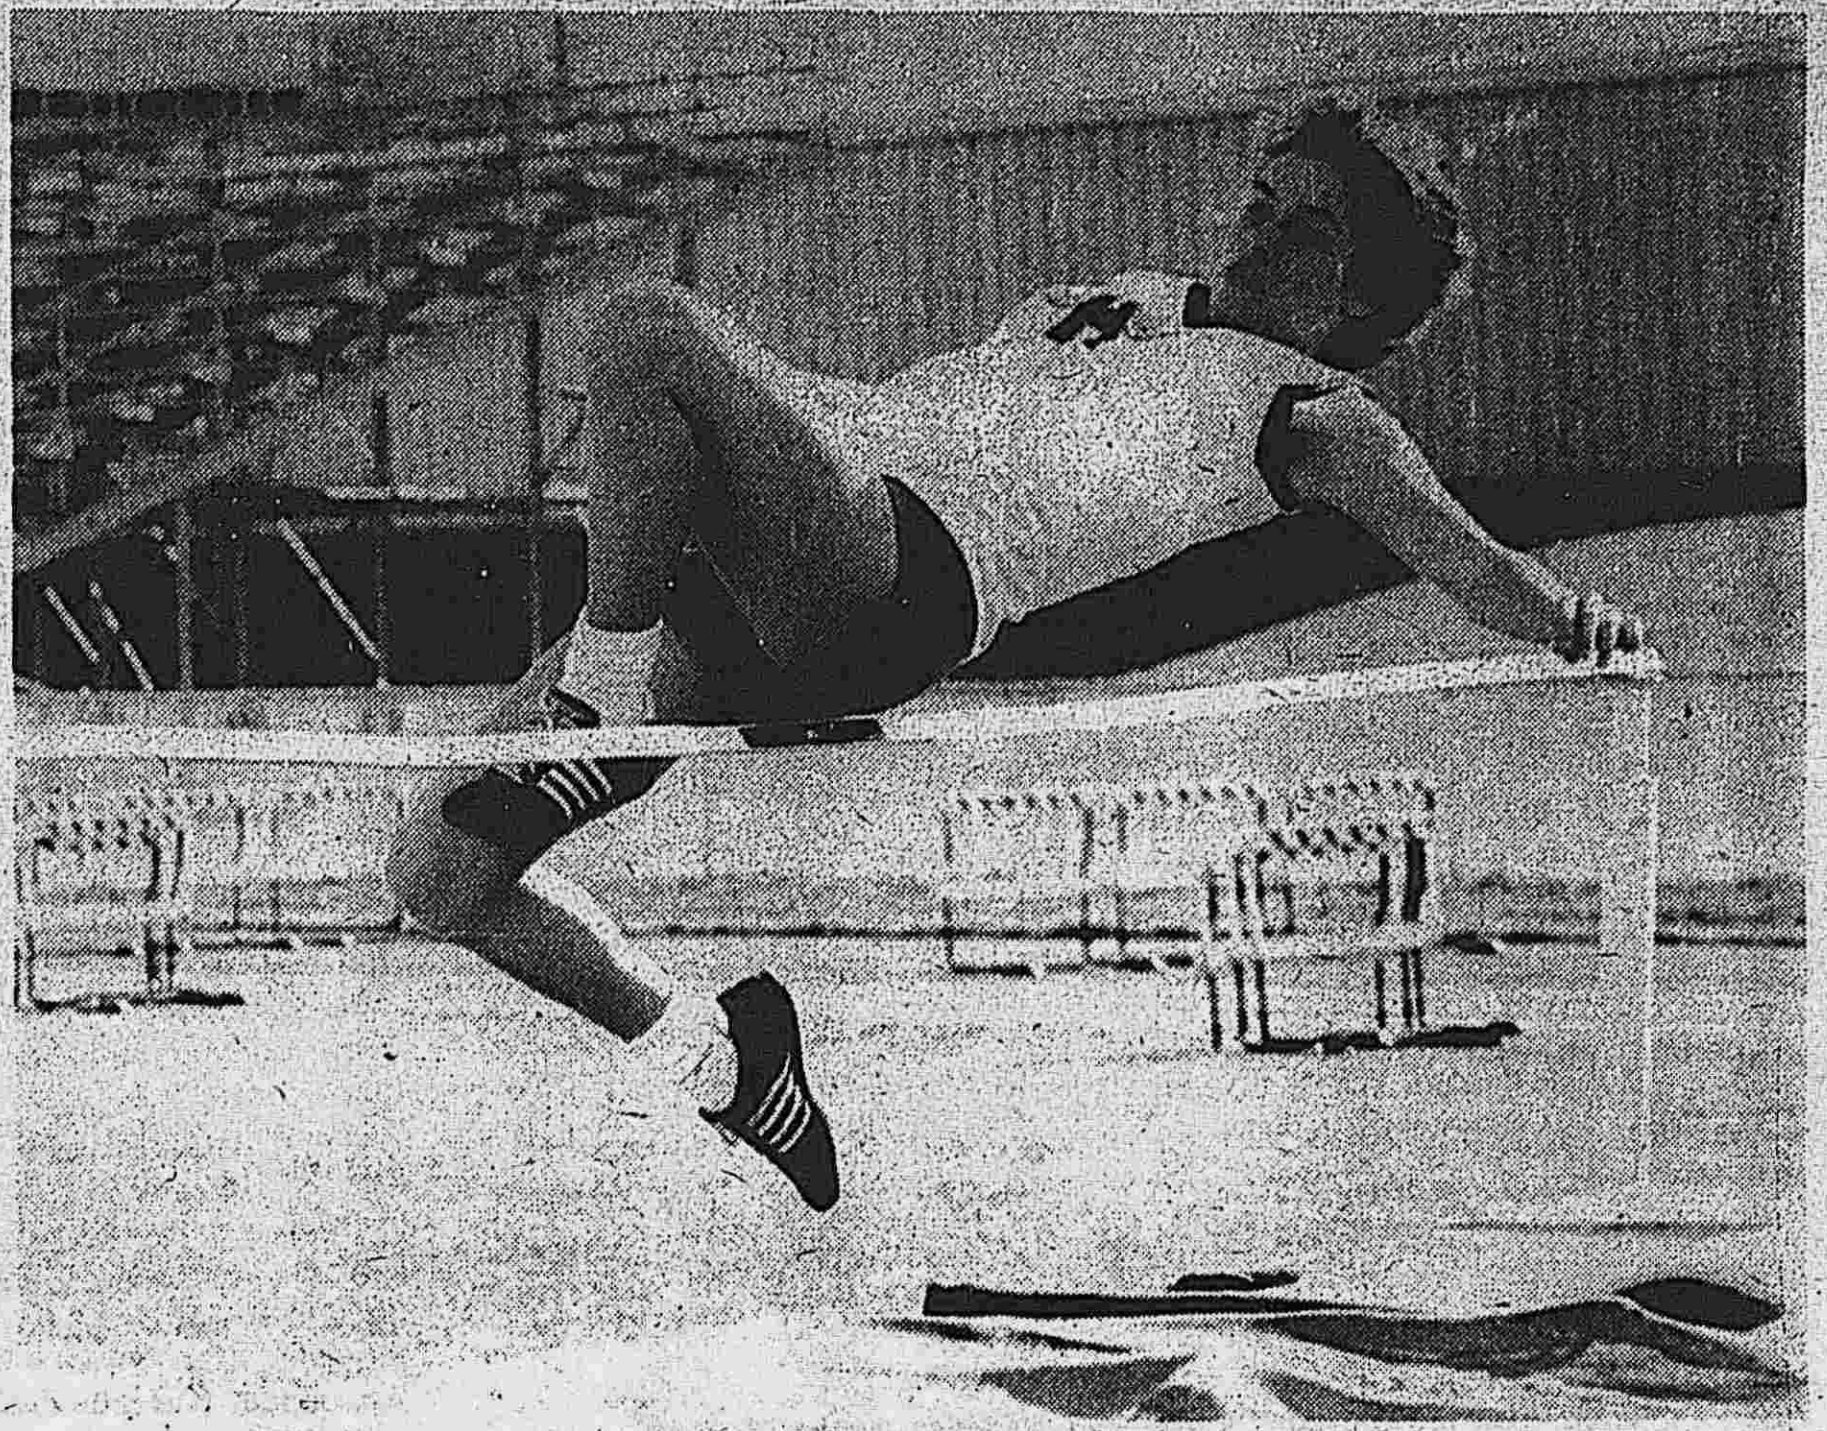

They look forward to this Saturday's conference meet on the home track, beginning at 12 noon.

On Tuesday, Apr. 26, they beat both Grayslake and Lake Zurich soundly, but had a tougher time Thursday. They beat Jacobs that day 87-41, but lost to Cary Grove 91-37.

The Grayslake-Lake Zurich meet was highlighted by a sweep of all four relay events, shot put and 880-yard run.

HITTING THE TAPE strides ahead of her competitors in the 880-yard run is Diane Walsh. The action came in last week's dual meet against Cary Grove and Jacobs.

SANDIE YOUNG of Antioch's girls track team was among the top high jumpers in last week's dual meet at home with Cary Grove and Jacobs.

State wrestling title for Gibson

Antioch High School freshman Jon Gibson won the United States Wrestling Federation's Kids Championship at Joliet last weekend.

Jon wrestled in the 95 lb. weight class. He pinned four opponents and decisioned two others. His closest match was 14-4.

THE USWF Kids Program is for wrestlers age 14 and under. This championship covered a five-state Midwest area with wrestlers from Illinois, Wisconsin, Iowa, Indiana and Michigan. The tournament is wrestled in three age divisions: 10 and under, 11 and 12 years old, and 13 and 14 years old. Jon's championship was in the last division.

Antioch Upper Grade's George Bessette was

second in the 11 and 12 year-old division at 105 lbs. George is a sixth grader and in his first year of wrestling. Both Jon and George wrestled an outstanding tournament beating many state place winners to take the title, according to coach Ted DeRousse.

Other wrestlers from Antioch who participated included Brett DeRousse (who took fourth in the under 10 age division at 55 lbs.), Brad Fox, Tad and Dave DeRousse, and Ted Bessette.

The USWF and its state organization, the Illinois Wrestling Federation, will conduct a series of local and state tournaments in Illinois. The next tournament for high school wrestlers is this Saturday at Round Lake High School.

Names in the NEWS

DeKalb - Northern Illinois University's 1976 Mid-American Conference golf champions will be defending their league title in May.

One of the newcomers to the team's traveling squad is Blair Subry of Antioch, who graduated from Carmel High School in Mundelein.

LONDON SIDING CO. HARVARD, IL

The difference between a dead-end cellar and a basement for living.

Without direct access to the out-of-doors, your basement is a seldom used dead-end. Add a Bilco Basement Door, and it becomes a highly livable, low-cost space for the enjoyment of your family. It's like adding a whole extra floor of living space to your home.

A Bilco Door costs so little when it's planned for during construction. Let us show you how easily and inexpensively you can include a Bilco Door and Stair Stringers in your new home or addition. We also have literature on how to add the complete entryway to your present foundation.

Antioch, Illinois 60002

BILL DUBEK showed good pitching form for the Antioch varsity last Friday, but it wasn't good enough to stop his Lake Forest opponents, who won 8-4. The Sequoits split Saturday's doubleheader with Grayslake, losing the opener 14-4 but coming back to win 9-2.

Jack Dempsey fought only 138 minutes as world champion. During that time he made \$2,137,000—or \$15,000 per minute.

Kaht, Ano, Harland star in track meets

As in past years, Antioch High School has some outstanding performers on its 1977 track and field team.

Keith Kaht set an all-time school record in the pole vault last week when he cleared 12 feet 6 3/4 inches. Kaht also triumphed in Antioch's 92-49 win over Dundee by clearing 12 feet.

Tracy Sodman became only the second discus thrower in Lake County to exceed 140 feet when he "flung the frisbee" 140 feet 4 inches.

IN LAST SATURDAY'S annual Warhawk Invitational at North Chicago, Chris Ano of Antioch won the high jump at 6 feet 2 inches. His previous leap of 6-4 3/4 ranks first in Lake County this season.

Steve Pilcher was third in the long jump at North Chicago and ranks third in the county in that event.

Dan Otten of Antioch ran a 4:45 mile last week and Bill Harland ranked fifth in the county with his 2:00.6 clocking in the half-mile. Then Harland cut loose with a winning time of 1:57.5 in the Warhawk Invitational, which boosted him to second in the county, behind Ray Cardinal of Wauconda, who has clocked 1:55.7.

Harland was only two-tenths of a second off the meet record of 1:57.3, set by Antioch's Gary Mandehr in 1972.

Legal Notice

LEGAL SPECIAL ELECTION NOTICE PROPOSED BUILDING REFERENDUM OF SCHOOL DISTRICT NO. 34

Notice is hereby given that on Saturday, the 21st day of May, 1977 an election will be held at Antioch in School District No. 34, County of Lake and State of Illinois, for the purpose of a proposed building referendum of said district.

For the purpose of this election the following precincts and polling places are hereby established:

Precinct No. 1: The following described territory:

Voting Precinct No. 1 Antioch Grade School

Beginning at the east shore of the channel flowing into the northern part of Channel Lake and extending south to Smith's Resort (but not including Smith's Resort) on Rt. 173, thence southeasterly past the east end of Venn Road to the North Shore of Lake Marie.

Beginning at the State Line and the east shore of the channel flowing into the north part of Channel Lake and extends east to Deep Lake Road then south including the west side of Deep Lake Road to Rt. 173, then west including the north side of Rt. 173 to Grimm Road (Hickory Road), then both sides of Grimm Road west to Rt. 83, then west to east shore of Lake Marie.

Antioch Grade School shall constitute Precinct No. 1 and the polling place therein shall be at 817 Main Street, Antioch.

Precinct No. 2: The following described territory:

Voting Precinct No. 2 Channel Lake School

Beginning at Wilmot Road and State Line and extending south including the east side of Wilmot Rd. (south of Rt. 173) to State Park's southern boundary.

Extending from Wilmot Road and State Line east to the west side of the channel flowing into the northern part of Channel Lake and extending from this point south across Channel Lake to and including Smith's Resort on Rt. 173, then on a line extending southeasterly past the east end of Venn Road to the north shore of Lake Marie.

Channel Lake School shall constitute Precinct No. 2 and the polling place therein shall be at Lake Avenue in Channel Lake.

Precinct No. 3: The following described territory:

Voting Precinct No. 3 Oakland Grade School

Beginning at the east side of Deep Lake Rd. and the State Line and extending south to the south side of Rt. 173, then west to Grimm Road (Hickory Rd.) then south on direct line to south shore of Loon Lake at Shady Lane, then south to Town Line Road including North and Denes Streets.

The balance of this precinct would be all that area east of the division line described in the above paragraph.

Oakland Grade School shall constitute Precinct No. 3 and the polling place therein shall be at Deep Lake and Grass Lake Roads.

The polls will be opened at 9:00 o'clock a.m. and close at 7:00 o'clock p.m. of the same day.

Absentee Ballots

1. Absentee application and ballot will be available after May 11, 1977 at the Upper Grade School, Business Office, 800 Highview Drive, between 8:30 a.m. and 4:30 p.m. Monday through Friday.

2. Request for an absentee ballot application to be mailed must be submitted no later than May 16, 1977.

3. Ballots will be accepted until 4:30 p.m. on Friday, May 20, 1977.

By order of the School Board of said District.
Dated this 3rd day of May, 1977.

Gail E. Heath, President
Jimmie Quedenfeld, Secretary

May 4, 1977

Insulate this spring and save.

Spring is off-season for insulation contractors, so you can save now on installation costs. It makes good sense to insulate now, before the hot weather starts. Most people wait for the extremes of weather to remind them that they need to insulate. So springtime, with its milder weather, ends up being the best time to line up an insulation contractor. You'll have a better chance of getting the job done right away, and you'll probably also save on installation costs.

And go right on saving this summer.

Good insulation will lower your cooling costs. Your house needs adequate attic insulation, not only in the winter, but in the summer, too. That's because your air-conditioned house needs a barrier against the summer's heat just as much as it needs protection against the winter's cold.

How much money can insulation save you? Estimates of savings from home insulation range from 20 to 30 percent of yearly energy costs. Don't forget—savings will show up on both your heating and air-conditioning bills.

Investing in insulation pays off in more ways than one. Not only will you help conserve energy, but you will also increase the value of your home. That's one reason why many Savings and Loans and local banks are willing to help finance the cost of the job.

Commonwealth Edison has an attic insulation finance plan to help you. For details on insulation costs, call a qualified insulation contractor (consult the Yellow Pages or your local newspaper). If you're a single-family-residence customer of ours and you install adequate attic insulation (R-19 or more is recommended), we'll finance the installation costs ourselves. (Keep in mind that any reputable contractor will certify that your insulation was installed as specified.)

For more information on our attic insulation finance plan, call this toll-free number: 800-972-5782.

Act now, while you still remember the bitter cold of this past winter, and what it cost you.

You pay for what you waste.

Commonwealth Edison
Working for you.

WEATHER PHONE: 662-8200 - WAUKEGAN, ILL.

Red flags fly at Waukegan Speedway

The 30-lap feature at Waukegan Speedway was full of excitement Sunday night as three red flags in the first six laps plagued the early going.

After it was all over, Tom Jones had his 101st career feature win. Jones had finished second to Ed Hoffman at Illiana earlier in the afternoon.

Sunday races underway at Lake Geneva

Conrad Morgan of Dousman, Wis., won the 30-lap late model feature here for the second straight week.

Morgan, who had to move up from the back of the pack, also had the fastest time again last weekend.

Fran Baumgartner of Genoa City, for the fourth straight week, won the spectator 25-lap feature race. Stan Nystrom of Burlington took second.

In May there will be sportsman and spectator racing every Sunday night. Gates open at 6 p.m. and there are drag races every Sunday morning. Gates open at 9 p.m.

Ray Toft and Joe Pechulis of Antioch operate the track.

Hoffman was also on hand at Waukegan, but his car broke down during time trials and he was forced to scratch for the evening.

THE RED FLAGS began when a radiator on Steve Seligman's Camaro let go on lap number three. On the restart, leader Chuck Acres spun in front of the field causing more cars to collide. On lap six, the third and final red flag came out as cars hit a slick spot, blocking a turn.

Jones held off the night's fastest qualifier, Dave Evans, to record the win. Jones and Evans are also running one-two in the point standings.

A 17-YEAR OLD second generation driver from Chicago is quickly turning into the track sensation at the speedway. Bobby Dotter held off veteran Tom Jones' challenges in the late model trophy dash to pick up the second checkered flag of his career.

Next Sunday will feature a powder puff race for the ladies in the hobbies. Chippy the Clown will be on hand both Saturday and Sunday nights to greet the youngsters at the Speedway.

IN THE APRIL 50-lap championship race Saturday, Jerry Kemperman won over the night's fastest qualifier Ted Musgrove.

Kemperman also won the late model trophy dash over Tom Jones. In the late model first heat, the roles were reversed as Jones won by car length over Kemperman.

Action gets hot at Wilmot Speedway

Ken Bierterz and Duke Norton won the feature races at Kenosha County Speedway in Wilmot, Wis., last Saturday night before another larger-than-expected crowd.

Bierterz's win in the super-modified stock car class followed an earlier win in a 10-lap heat race.

His father, the popular "flying Grandfather" of super-modified stock car racing (who won at Wilmot on opening night) qualified at fifth fastest for the 40 cars. Then he asked his son to drive it in the racing because of severe sore throat.

Norton, a former champion of the late model sportsman stock cars, scored his win by taking the lead on the last lap of the 20-lap feature from Jim Zwirgdzas, Paddock Lake, Wis.

AT THE START of the super-modified feature, it was Ron Bergsma, Richmond, in the lead before John Tierney, Lake Villa, took over. Bob Robel, Oconomowoc, who had won the feature the previous week, went ahead until passed by Bierterz.

Two-time Wilmot champion Dick Colburn, Muskego, was on hand for the first time this season but still without his new car, which may not be completed for two more weeks. However, Colburn, after viewing the action said he was going to put in extra effort to have the car ready for

this Saturday night.

THE LATE MODEL sportsman stock feature was a heartbreaker for Scott Dalhberg, Union Grove, who was the leader for the first 10 laps until his front bumper broke loose.

A yellow flag signal to remove the car of Ralph Rau, Paddock Lake, who won the feature the previous Saturday night but suffered a blown engine while trying to repeat the feat, brought a warning to Dalhberg that he would have to go to the pits and remove the bumper (considered a threat to safety).

Realizing the pit stop would require him to rejoin the race at the back of the field, Dalhberg elected to ignore the warning by starter Wayne Soder. On the restart he was black-flagged and disqualified, otherwise he might have been the winner.

John Dost, Antioch, blew his engine in a heat race and could not start the feature. He was fast-time qualifier.

High attrition continued and only eight cars finished the feature with Tom Homan, Antioch; Steve Hamilton, Racine and Lee Sohns, Greenfield, Wis., rounding out the top five spots.

Heat race wins were scored by George Felzer, Kenosha, Zeisse and Homan.

OBITUARIES

Harriette J. Pirson

Mrs. Harriette J. Pirson, 80, of Antioch passed away Wednesday, Apr. 27 at Victory Memorial Hospital. She was born Apr. 17, 1897 in Chicago and lived there until moving to Antioch in 1946.

She was a member of St. Peter's Church of Antioch and the Altar and Rosary Society and a member of AARP of Antioch. She was preceded in death by her husband Louis J. Pirson on Jan. 4, 1953 and one brother.

Survivors are three daughters, Mrs. Charlotte (Ray) Ostergren of Northbrook, Ill., Mrs. Marilyn (Kenneth) Frank of Antioch and Mrs. Nancy Becker of Chicago; three grandchildren and three great grandchildren.

A funeral mass was said Friday at St. Peter's. Interment was in Mt. Carmel Cemetery. Arrangements were made by Strang Funeral Home, Antioch.

Aleksandrs Libigs

Mr. Aleksandrs Libigs, 83, of Antioch, passed away Tuesday, Apr. 26, at the American International Hospital in Zion. He was born Nov. 13, 1893 in Riga, Latvia and came to the U.S. in 1950. He lived in Mississippi before moving to Antioch in 1951.

He was a member of Faith Evangelical Lutheran Church of Antioch. He worked as a kiln operator for Pickard China Co. in Antioch and retired in 1959. He married Hedviga Grossberg on Aug. 4, 1918 in Jamburg Estonia and she preceded him in death Oct. 11, 1971.

Survivors are one son, Leo (Vera) Libigs of Winthrop Harbor; one daughter, Mrs. Nora (Erich) Lubkeman of Antioch; 14 grandchildren and 12 great grandchildren.

Funeral services were held Friday at the Faith Evangelical Church in Antioch. The Rev. Kent Schroeder officiated. Interment was in Liberty Cemetery, Trevor. Arrangements were made by Strang Funeral Home in Antioch.

Legal Notice

LEGAL NOTICE OF SPECIAL ELECTION COMMUNITY CONSOLIDATED SCHOOL DISTRICT NUMBER 34, LAKE COUNTY, ILLINOIS

NOTICE IS HEREBY GIVEN that a special election has been called and will be held in and for Community Consolidated School District Number 34, Lake County, Illinois, on Saturday, the 21st day of May, 1977, at which election there will be submitted to the legal voters of said District the following proposition:

Shall the Board of Education of Community Consolidated School District Number 34, Lake County, Illinois, build and equip a new school building on a site within the District, build and equip additions to and alter, repair and equip the Oakland Grade School Building, and issue the bonds of said School District to the amount of \$1,600,000 for the purpose of paying part of the cost thereof?

That for said election said School District has been divided into three (3) election precincts. The boundaries of each precinct and the polling place designated for each precinct are as follows:

Voting Precinct No. 1 Antioch Grade School
Beginning at the east shore of the channel flowing into the northern part of Channel Lake and extending south to Smith's Resort (but not including Smith's Resort) on Rt. 173, thence southeasterly past the east end of Venn Road to the north shore of Lake Marie.

Beginning at the State Line and the east shore of the channel flowing into the north part of Channel Lake and extends east to Deep Lake Road then south including the west side of Deep Lake Road to Rt. 173, then west including the north side of Rt. 173 to Grimm Road (Hickory Road), then both sides of Grimm Road west to Rt. 83, then west to east shore of Lake Marie.

Polling Place - Antioch Grade School Building, 817 Main Street, in Village, Antioch, Illinois.

Voting Precinct No. 2 Channel Lake School
Beginning at Wilmot Road and State Line and extending south including the east side of Wilmot Rd. (south of Rt. 173) to State Park's southern boundary.

Extending from Wilmot Road and State Line east to the west side of the channel flowing into the northern part of Channel Lake and extending from this point south across Channel Lake to and including Smith's Resort on Rt. 173, then on a line extending southeasterly past the east end of Venn Road to the north shore of Lake Marie.

Polling Place: Channel Lake Grade School Building, Route 3, Lake Avenue, Antioch, Illinois

Voting Precinct No. 3 Oakland Grade School
Beginning at the east side of Deep Lake Road and the State Line and extending south to the south side of Rt. 173 then west to Grimm Road (Hickory Road), then south on direct line to south shore of Loon Lake at Shady Lane, then south to Town Line Road including North and Denes Streets.

The balance of this precinct would be all that area east of the division line described in the above paragraph.

Polling Place: Oakland Grade School Building, Grass Lake Road and Deep Lake, Northwest Corner, Antioch, Illinois

The polls at said election will be opened at nine o'clock A.M. and will be closed at seven o'clock P.M. on said day.

Voters must vote at the polling place designated for the election precinct within which they reside.

By order of the Board of Education of Community Consolidated School District Number 34, Lake County, Illinois.

DATED this 3rd day of May, 1977.

GAIL E. HEATH
President, Board of Education
JIMMIE QUEDENFELD
Secretary, Board of Education
May 4, 1977

HALAS' RELATIVES MEET PARDEE - When Chicago Bears football coach Jack Pardee spoke at the Antioch Moose Lodge he was surprised that his audience included four offspring of "Papa Bear" George Halas. From left: Dave

Bushing of Foremost Liquors, Ray Bushing, Pardee and Dave's sons, Douglas and Michael. George Halas married Minnie Bushing, so he is Ray's uncle, Dave's great uncle and the great, great uncle of Douglas and Michael.

Energy savings, the experts at International Paper's energy-oriented Operation Badger (Better Actions Develop Greater Energy Reductions) program say, could be achieved through an active conservation program that could reduce energy demand by the equivalent of 86 million gallons of oil a day.

The energy saved by that would be enough to keep about a million American families warm through approximately 10 days of freezing weather.

GREETING CHICAGO BEARS' COACH Jack Pardee (center) when he spoke at the Antioch Moose Lodge were (from left): Wayne Spader, head of the Bears' Den No. 1 fan club; Jane Palmer, now of Antioch but formerly of Magnolia, Tex., a town Pardee used to drive through to get to Texas A&M where he played football; Jim Page, recent Moose Lodge governor, and Tom Muse, "emcee" for the Moose Sportsmen's Night.

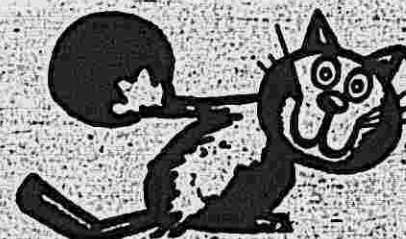

Announce winners of ACHS art show

Tax relief info

Informational sheets on Illinois tax relief or Circuit Breaker programs for senior citizens and disabled persons are available from state representative (R-32nd) Betty Lou Reed. Those wishing information and application forms may call Mrs. Reed's office at 945-2443 or write to her at 927 Holly Court, Deerfield, Ill. 60015.

Three programs are available to the senior citizens. Homestead Exemption will reduce the assessed valuation of the property by \$1,500. Property tax relief will provide a rebate to senior citizens or disabled persons on tax or rent paid on 1975 real estate tax. Sales tax rebates, depending upon income, in grants of \$50 to \$100 will be sent to those who qualify.

Forms for application for the grants are available from Rep. Reed's office.

My parents gave me more than advice.

"When it came time for me to leave home and start life on my own, my parents gave me more than a handshake and advice. They gave me a \$10,000 life insurance policy from Country Life.

"They'd paid the premiums since I was an infant. Now I'll take care of the policy. But it's at a much lower rate than a new policy.

"You know, life insurance was a nice way for Dad to help me out no matter where I make my home."

Help your children with a gift that lasts a lifetime — life insurance from Country Life.
